## Comic Book Binding Prices

---

Comic books are bound to the ANSI/NISO LBI Standard for Library Binding. The comic books will either be Sewn thru Fold or Double Fan Adhesive Bound (DFA). It depends on the comic book itself as to which method of binding is most suitable. Sew thru the fold is our first choice to maintain the inner margin. If this is not possible, then we use DFA.

**Prices: All sizes up to 13" in height, bound in buckram**
